

TRInternational, Inc.
"Supplying Industry Worldwide"

March 24, 2009

TRI Valued Customers and Clients,

We take great pleasure in informing you that TRInternational has taken over the agency for the products of Kirsch Pharma GmbH Salzgitter / Germany for the sales in the USA as of 1st March, 2009.

Kirsch Pharma is an innovative company, offering raw materials of premium quality for the pharmaceutical and food industries. Quality control is carried out in Kirsch Pharma's own laboratory in Germany. We supply certified quality and the products meet the requirements of the various international pharmacopoeias.

Kirsch Pharma GmbH operates globally through its own subsidiaries and can look back on 30 years of successful operations.
